ACTING EXECUTIVE DIRECTOR

February 25, 2020

RICHARD WM. WESCH
PORT AUTHORITY ATTORNEY

Dear Friends:

**BOARD OF
PORT COMMISSIONERS**

We are pleased to present the Lee County Port Authority's (LCPA) financial statements for the fiscal year ending September 30, 2019. We experienced another record breaking year in many categories, including total passengers and certain major revenue sources.

BRIAN HAMMAN

FRANK MANN

JOHN E. MANNING

CECIL L. PENDERGRASS

RAY SANDELLI

For the fiscal year, total passengers at Southwest Florida International Airport (RSW) were 9,970,290, *an increase of 7.71 percent* compared with the same period last year, and another *record in the 36 year history of the airport*. Total operating revenues were \$103.4 million, an increase over the prior year of \$1.7 million. Increases were in rental cars, parking, land rents, restaurants, and terminal concessions. Operating expenses were \$105.1 million, an increase of \$2.8 million. Increases were in salaries and wages, pension and other post-employment benefits (OPEB) expense, insurance and contractual services. Our cost per enplaned (CPE) passenger was \$5.33, which was the lowest since 2005.

In the past year, major projects completed include Skyplex Boulevard and the upgrade of the telephone system. Ongoing projects include design of the terminal expansion project, construction of the air traffic control tower, the rehabilitation of airside ramp and modernization of the airline ticket counters.

LCPA was recognized during the year for several notable awards. J.D. Power named Southwest Florida International Airport one of the top medium-hub airports in North America for passenger satisfaction in 2019. The North American Airport Satisfaction Study measures what travelers say about terminal facilities, airport accessibility, security checkpoints, baggage claim, check-in/baggage check and terminal food, beverage and retail. This marked the fifth year in a row RSW was ranked as a top airport by J.D. Power. For the seventh consecutive year, Base Operations at Page Field was rated in the top 10 percent of fixed-base operators in an international survey conducted by Aviation International News (AIN).

Currently, from an air-service perspective, new markets and expansion to existing markets include Albany, Portland ME, Raleigh/Durham, Syracuse, Dallas-Love, Philadelphia, Gulfport/Biloxi, Nashville and St Louis.

February 25, 2020
Page Two

Page Field had a record breaking year in fuel sales with 1.7 million gallons of fuel sold, a 4% increase over prior year. The construction of the new 25,000 square foot bulk hangar was completed and the design of the new southeast hangars and ramp has begun.

Our financial position remains strong and we are extremely pleased with the results of the past fiscal year, and look forward to serving the residents, visitors, and business community at both Southwest Florida International Airport and Page Field.

Sincerely,

LEE COUNTY PORT AUTHORITY

Acting Executive Director

INDEPENDENT AUDITORS' REPORT

Honorable Board of County Commissioners
Lee County, Florida
and
Honorable Board of Port Commissioners
Lee County Port Authority
Fort Myers, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the Lee County Port Authority (the Authority), a blended component unit of Lee County, Florida, as of and for the year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Honorable Board of County Commissioners
Lee County, Florida
and
Honorable Board of Port Commissioners
Lee County Port Authority

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Authority as of September 30, 2019, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

Other Matter

As discussed in Note I, the financial statements present only the Authority and do not purport to, and do not, present fairly the financial position of Lee County, Florida as of September 30, 2019, the changes in financial position, or, where applicable, its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Correction of Error

As discussed in Note XIII to the financial statements, the Authority restated beginning balances resulting from a correction of an accounting error that occurred in the prior period. Our opinion is not modified with respect to that matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and the schedule of the Authority's proportionate share of the total other postemployment benefit plan liability and schedules of the Authority's proportionate share of the net pension liability and of its contributions – pension plans on pages 1-8 and 45-47, respectively, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Authority's basic financial statements. The letter of transmittal is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The letter of transmittal has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Honorable Board of County Commissioners
Lee County, Florida
and
Honorable Board of Port Commissioners
Lee County Port Authority

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 25, 2020, on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

CliftonLarsonAllen LLP

Fort Myers, Florida

Management's Discussion and Analysis (Unaudited)

This discussion and analysis is intended to serve as an introduction to the Lee County Port Authority's (the Port) financial statements for fiscal years ending September 30, 2019 and 2018. The information here should be taken in conjunction with the financial statements, footnotes and supplementary information found in this report.

Financial Highlights and Summary

Table 1 reflects a summary of net position for 2019 and 2018.

Table 1
Summary of Net Position
September 30, 2019 and 2018
(000's)

	2019	2018
Current and other assets	\$ 257,445	\$ 243,913
Capital assets	723,623	702,128
Total assets	981,068	946,041
Deferred outflows of resources	29,179	19,200
Current liabilities	48,844	40,905
Non-current liabilities	336,499	330,516
Total liabilities	385,343	371,421
Deferred inflows of resources	12,762	15,164
Net investment in capital assets	483,927	458,470
Restricted	80,872	73,911
Unrestricted	47,343	46,275
Total net position	\$ 612,142	\$ 578,656

Note: Fiscal year 2018 balances are restated due to a prior period adjustment related to OPEB. Additional information can be found in Note XIII on page 43.

Summary of Net Position Analysis

In fiscal year 2019, activities for the Port increased total assets by \$35,027,000, increased deferred outflows of resources by \$9,979,000, increased total liabilities by \$13,922,000, decreased deferred inflows of resources by \$2,402,000 and increased total net position by \$33,486,000.

Net investment in capital assets is the largest portion of net position. This represents capital assets net of accumulated depreciation and the outstanding debt used to acquire the assets. The net investment in capital asset balance increased \$25,457,000, or 5.6 percent, in comparison to prior year.

Lee County Port Authority
September 30, 2019

The restricted net position increased \$6,961,000, or 9.4 percent in comparison to prior year. This balance represents assets that are subject to external restrictions imposed by creditors, through bond covenants, by grantors, or by law on how they are used.

The unrestricted net position balance increased \$1,068,000, or 2.3 percent, in comparison to prior year. The unrestricted net position balance represents assets that are available for spending at the Port's discretion.

Table 2 reflects a summary of revenues, expenses, and changes in net position for 2019 and 2018.

Summary of Revenues and Expenses Analysis

In fiscal year 2019 net operating revenue increased \$1,676,000, or 1.6 percent, in comparison to prior year as a result of an increase in rental car revenue of \$1,331,000, parking revenue of \$1,255,000, and other revenues of \$740,000. Other revenues included \$425,000 from restaurants and \$290,000 from concessions. Passenger traffic

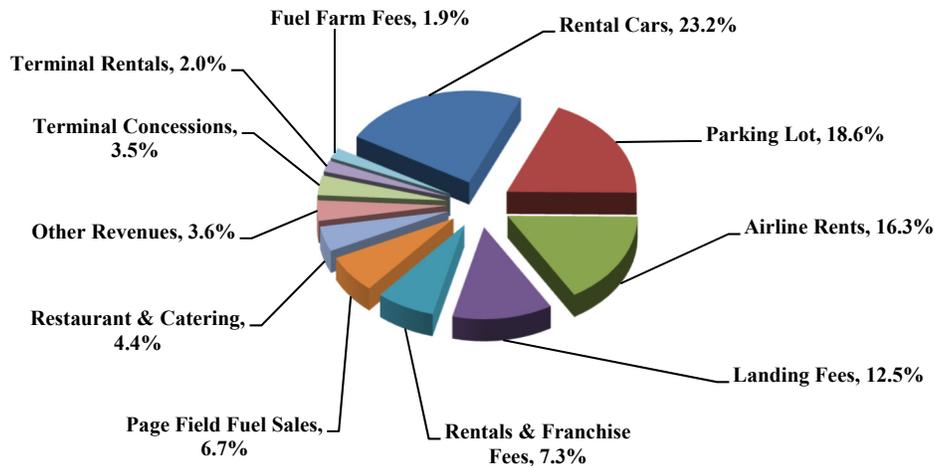

Lee County Port Authority
September 30, 2019

increased 7.7 percent over the prior year. Total operating expenses increased \$2,781,000, or 2.7 percent, in comparison to prior year.

Capital contributions totaled \$22,751,000, an increase of \$6,370,000 in comparison to prior year. Major grants received this year include \$5,078,000 for the RSW north properties utilities, \$4,288,000 for RSW terminal expansion, and \$3,249,000 for RSW electric baggage screening and \$2,430,000 for RSW taxiway rehab. There was reduction of \$5,999,000 in grant funding for Page Field runway rehabilitation.

The following charts summarize the Net Revenues and Expenses for fiscal year 2019.

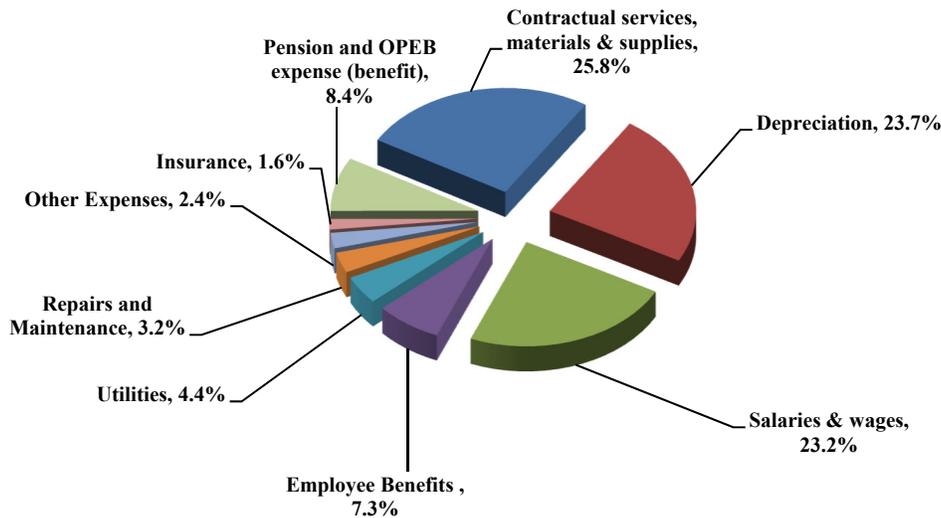

Operating Revenues for Fiscal Year 2019

Passenger Facility Charges

In November 1992, the Port received approval from the Federal Aviation Administration (“FAA”) to impose a Passenger Facility Charge (PFC) of \$3.00 per eligible enplaned passenger. In November 2003, the Port was granted the authority to raise the PFC level from \$3.00 to \$4.50. In August 2019, the FAA approved amendments to Application #8 and #9 for \$115,194,000 and \$65,063,000 respectively increasing the total collection authority to \$522,185,000 as of September 30, 2019 with an estimated expiration date of June 1, 2028. In October 2019, the FAA approved Application #10 for \$385,351,000 and a third amendment to Application # 9 for \$758,000 increasing the total collection and use authority to \$908,294,000 and concurrently revising the estimated charge expiration date to November 1, 2039.

Lee County Port Authority
September 30, 2019

Capital Assets

Capital assets, net of accumulated depreciation, increased by \$21,495,000. Major capital spending in 2019 included the following:

<u>Southwest Florida International Airport:</u>	
New Air Traffic Control Tower	\$ 5,300,000
Skyplex Boulevard	\$ 10,600,000
Maintenance Building Expansion	\$ 2,981,000
Design for the Rehabilitation of Various Roads	\$ 1,272,000
Design for the Rehabilitation of Airside Pavements	\$ 3,468,000
Terminal Expansion Design	\$ 6,861,000
Ticket Counter Modernization	\$ 4,878,000
Passenger Boarding Bridges Replacement Design	\$ 1,155,000
<u>Page Field General Aviation Airport:</u>	
New Corporate Hangar	\$ 6,027,000

Table 3 reflects a summary of capital assets for 2019 and 2018.

See additional information on the Port's debt in note VI to the financial statements.

Airport Activities

The total passenger count for fiscal year 2019 was 9,970,000, an increase of 7.7% percent over the prior year. Below is a summary of new and increased airline service to Southwest Florida International Airport over the past year.

- ➔ Frontier: Las Vegas, Phoenix, Salt Lake City, Albany, Portland-ME, Raleigh/ Durham and Syracuse.
- ➔ Southwest: Dallas-Love
- ➔ Spirit: Philadelphia
- ➔ American: Miami
- ➔ Sun Country: Gulfport/Biloxi, Nashville and St Louis

The following chart exhibits the Total Passenger Market Share for the Top Ten Airlines operating at Southwest Florida International Airport during Fiscal Year 2019.

West Jet	1.1%	1.1%	0.0%	0.00%

Airline Rates and Charges

The Port negotiated a new airline use agreement (Airline Airport Lease & Use Agreement) with the Participating Airlines (now referred as Signatory Airlines) with the key terms of the agreement approved by the Board in May, 2008. The Agreement commenced on October 1, 2008, with a five-year term, expiring on September 30, 2013 and then a second five year extension expiring on September 30, 2018. Recently all the signatory airlines signed a three year extension to this agreement, expiring on September 30, 2021. In addition, in June 2018 Frontier Airlines signed the signatory agreement. All the key terms of the agreement are the same.

The new agreement, commonly referred to as a hybrid compensatory agreement, has a revenue sharing component. In any year in which there are net remaining revenues generated at the airport, and all requirements of the Bond Resolution have been satisfied, the net remaining revenues shall be divided between the Port (60 percent) and the Signatory Airlines (40 percent). The agreement provides for better flexibility as there is no Majority in Interest approval required for capital projects.

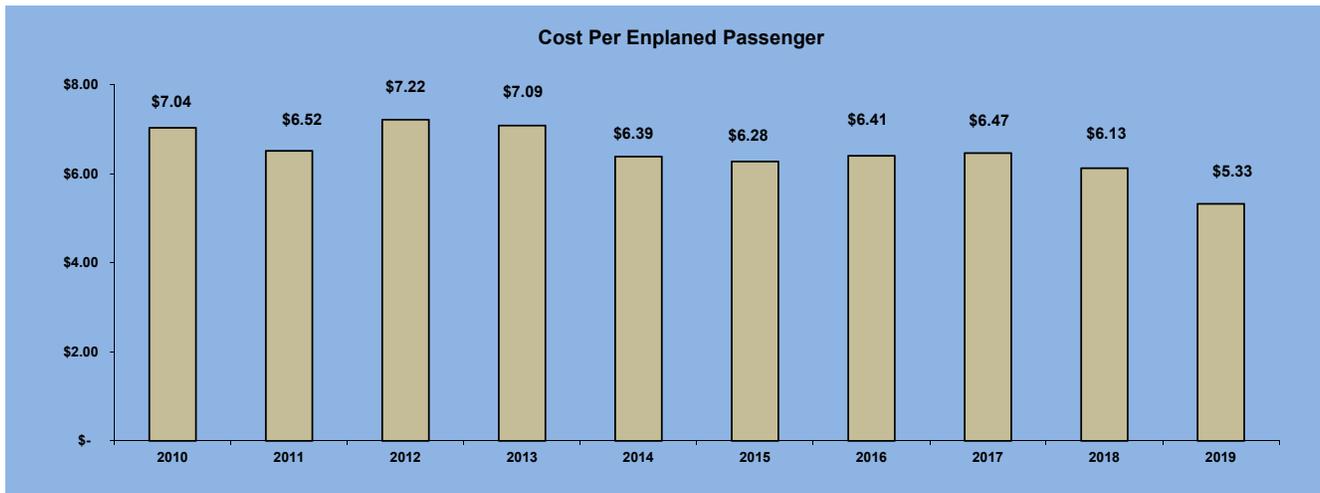

Terminal premises are leased on an exclusive use, preferential use and joint use basis. The Port will lease certain terminal premises on a common use basis, as may be necessary. It is the intent of the Port to manage its terminal facilities in an efficient manner, while also respecting the schedules of its airline parties. Ticket counters, offices, operations areas, and baggage make-up facilities will be leased on an exclusive use basis. Gates/holdrooms and aircraft parking positions will be leased on a preferential use basis. Baggage claim will be leased on a joint use basis, with costs allocated to the Signatory Airlines based on twenty percent allocated to all Signatory Airlines equally, and eighty percent allocated to all Signatory Airlines based on the ratio of each Signatory Airline's enplaned passengers annually at the airport.

Landing Fees are calculated using a "residual" Airfield Cost Center approach and will be based upon the total landed weight for all airline groups (Signatory, non-Signatory, Cargo, Charter, and International). Terminal rents are calculated using a commercial compensatory method (i.e., rentable square foot divisor). Charges for the leasing of all terminal space will be assessed on a square-footage basis. In fiscal year 2019, the Signatory Airlines paid the Port \$24,745,000. This amount is net of refunds of \$3,153,000 and revenue sharing of \$5,970,000.

It is typical for the airline industry to measure its costs by its cost per enplaned passenger. Airports use this as a management tool to assess how well they are doing compared to the industry and how effective they are in

Lee County Port Authority
September 30, 2019

managing the airport. The following chart shows the cost per enplanement at Southwest Florida International Airport over the past 10 fiscal years.

Economic Factors and Next Year's Budget Rates

The following were factors considered when the 2020 budget was prepared:

- ➔ The total number of passengers is projected to be 9,878,331, a 9.6% increase over the 2019 budget.
- ➔ The total operating budget is \$130.6 million, an increase of 4.1% percent or \$5.2 million over the 2019 budget.
- ➔ Increases in revenues were primarily attributed to an increase in passenger activity and investment income.
- ➔ Increases in personnel were a result of an average merit increase of 4 percent for all employees, addition of four full time employees and an increase in the Port's contribution to the Florida Retirement System.
- ➔ Operating expenses include increases in parking lot management, operating capital and janitorial services.
- ➔ The budgeted rates for 2020 include \$2.49 for the landing fee and a terminal rental rate of \$110.54.

Financial Contact

Please refer to the Lee County Comprehensive Annual Financial Report (CAFR) for additional financial information related to the Port. If you should have any questions regarding this report or require additional information, please contact the Lee County Port Authority Finance Department, 11000 Terminal Access Road, Suite 8671, Fort Myers, Florida, 33913.

Lee County Port Authority
Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2019

NOTE I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

Lee County (the "County") is a political subdivision of the State of Florida. It is governed by an elected Board of County Commissioners (the "Board"), which is governed by state statutes and regulations. The Lee County Port Authority is a blended component unit of the County and is reported as an enterprise fund in the countywide primary government financial statements. In 1987, the Board authorized the creation of the Lee County Port Authority (the "Port Authority") transferring the management and administration of the County's Department of Airports (including Page Field General Aviation Airport and the Southwest Florida International Airport, the "SWFIA") to the Port Authority. Although the Board retained ownership of the Port Authority's assets and liabilities, all of the assets and liabilities used in the operations of the Port Authority are reflected in these financial statements since the Port Authority has the rights and responsibilities of ownership. The Port Authority was established under authority of Sections 125.01 and 332.08, *Florida Statutes*, Lee County Resolution Number 87-8-9, and subsequently, Lee County Ordinance Number 90-02, subsequently amended and restated as Lee County Ordinance Number 01-14.

The Board of Port Commissioners was established as the governing body for the Port Authority and consists of the members of the Board of County Commissioners. Also created was an Airports Special Management Committee, a citizen's advisory board, whose members were appointed by the Port Commissioners for the administration and management of the Lee County Airports ("Airports").

Fund Accounting

The Port Authority uses an enterprise fund to report its activities. Enterprise funds are used to account for operations (1) that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (2) where it is decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

As an enterprise fund, the Port Authority records both operating and non-operating revenues and expenses. Operating revenues are those that are obtained from the operations of the enterprise fund that include user fees, rental fees, and concessions. Non-operating revenues are not related to the operations of the enterprise fund and include interest earnings, grants, and passenger facility charges. Operating expenses represent the cost of operations, which includes depreciation. Non-operating expenses, such as interest expense, are not related to operations.

Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The Port Authority is accounted for on an "economic resources" measurement focus. Accordingly, all assets, deferred outflows/inflows of resources, and liabilities are included on the Statement of Net Position, and the reported fund net position (total reported assets plus total reported deferred outflows of resources less total reported liabilities less total reported deferred inflows of resources) provides an indication of the economic net worth of the Port Authority. The Statement of Revenues, Expenses, and Changes in Net Position report increases (revenues) and decreases (expenses) in total economic net worth.

Lee County Port Authority
Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2019

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The Port Authority is accounted for using the accrual basis of accounting. Under this method, revenues are recognized when they are earned; expenses are recognized when they are incurred.

When both restricted and unrestricted resources are available, restricted resources will be used first for incurred expenses, and then unrestricted as needed.

Use of Estimates

The preparation of the financial statements requires management to make a number of estimates and assumptions relating to the reported amounts of assets, deferred outflows of resources, liabilities, and deferred inflows of resources and the disclosure of contingent assets and liabilities at the date of the financial statements. Preparation of the financial statements also requires management to make a number of estimates and assumptions relating to the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

Assets, Liabilities, Deferred Outflows/Inflows of Resources, and Net Position

Cash, Cash Equivalents and Investments

The Port Authority considers cash, cash equivalents and investments to be cash on hand, demand deposits, highly liquid investments, including those held as restricted assets, with original maturities of three months or less when purchased, and those included in the internal investment pool.

For accounting and investment purposes, the County maintains a cash and investment pool that the Port Authority participates in and is available for use by all funds except those whose cash and investments must be segregated due to legal or other restrictions. Investments within this pool are treated as a demand deposit account. Interest earned on investments in the pool is allocated to the various funds based upon each fund's equity balance in the pool during the allocation period.

For purposes of the Statements of Cash Flows, the Port Authority considers cash and equity in pooled cash and investments (restricted and unrestricted), and restricted cash and cash equivalents with fiscal agent to be cash and cash equivalents.

The Port Authority reports all investments at fair value, with the exception of: State Board of Administration's ("SBA") Florida Local Government Surplus Trust Fund Investment Pool (Florida PRIME) which is reported at amortized cost and approximates fair value. The Port Authority categorizes its fair value measurements within the fair value hierarchy established in Governmental Accounting Standards Board Statement No. 72, *Fair Value Measurements and Application*.

Florida PRIME is considered a qualifying external investment pool that meets all of the necessary criteria to elect to measure all of the investments at amortized cost. Therefore, the fair value of the Port Authority's position in the pool is the same as the value of the pool shares. The Florida PRIME investments are not categorized because they are not evidenced by securities that exist in physical or book entry form. Throughout the year, and as of September 30, 2019, Florida PRIME contained certain floating and adjustable rate securities. These investments represented 36.7 percent of Florida PRIME's portfolio at September 30, 2019.

Lee County Port Authority
Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2019

In accordance with Governmental Accounting Standards Board Statement No. 79, *Certain External Investment Pools and Pool Participants*, as a participant in a qualifying external investment pool, the Port Authority discloses the presence of any limitations or restrictions on withdrawals (such as redemption notice periods, maximum transaction amounts, and the qualifying external investment pool's authority to impose liquidity fees or redemption gates) in the notes to the financial statements.

With regard to redemption gates, Section 218.409(8)(a), *Florida Statutes*, states that "The principal, and any part thereof, of each account constituting the trust fund is subject to payment at any time from the moneys in the trust fund. However, the Executive Director may, in good faith, on the occurrence of an event that has a material impact on liquidity or operations of the trust fund, for 48 hours limit contributions to or withdrawals from the trust fund to ensure that the Board can invest moneys entrusted to it in exercising its fiduciary responsibility. Such action must be immediately disclosed to all participants, the Trustees, the Joint Legislative Auditing Committee, the Investment Advisory Council, and the Participant Local Government Advisory Council. The Trustees shall convene an emergency meeting as soon as practicable from the time the Executive Director has instituted such measures and review the necessity of those measures. If the Trustees are unable to convene an emergency meeting before the expiration of the 48-hour moratorium on contributions and withdrawals, the moratorium may be extended by the Executive Director until the Trustees are able to meet to review the necessity for the moratorium. If the Trustees agree with such measures, the Trustees shall vote to continue the measures for up to an additional 15 days. The Trustees must convene and vote to continue any such measures before the expiration of the time limit set, but in no case may the time limit set by the Trustees exceed 15 days."

With regard to liquidity fees, Section 218.409(4), *Florida Statutes* provides authority for the SBA to impose penalties for early withdrawal, subject to disclosure in the enrollment materials of the amount and purpose of such fees. At present, no such disclosure has been made.

As of September 30, 2019, there were no redemption fees or maximum transaction amounts, or any other requirements that serve to limit a participant's daily access to 100 percent of their account value.

Accounts Receivable

The accounts receivable of the Port Authority are recorded net of an allowance for doubtful accounts. Management uses an estimate of five percent of the average accounts receivable balance plus any amounts to be submitted to the Board for write-off due to known uncollectible amounts to derive the allowance.

Inventory

Inventory, consisting of items for resale, is stated at cost that approximates market value. The "first - in, first - out" method of accounting is used to determine cost.

Prepaid Items

Some payments to vendors represent costs applicable to future accounting periods and are recorded as prepaid items in the financial statements.

Capital Assets

Capital assets include artwork, property, buildings, furniture, equipment, vehicles, software, easements and rights of way, and infrastructure assets. Infrastructure assets are defined as public domain capital assets such as roads, bridges, curbs and gutters, streets and sidewalks, drainage systems, lighting systems, runways, and similar assets that are immovable and of value only to the government unit. The threshold for capitalizing capital assets is \$1,000. The threshold for capitalizing software and infrastructure is \$100,000. Capital assets are recorded at

Lee County Port Authority
Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2019

cost or estimated historical cost. Contributed assets are recorded at acquisition value at the time received. Depreciation is calculated using the straight-line method over the estimated useful lives of the related assets. The ranges of the useful lives are as follows:

<u>Assets</u>	<u>Years</u>
Buildings	30-50
Improvements other than buildings	6-50
Equipment	3-35
Computer equipment	3-10
Furniture	4-20
Vehicles & rolling stock	3-12
Software	3-5
Infrastructure	20-50

Capital Lease Obligations

In the Port Authority financial statements, capital lease obligations and the related cost of assets acquired are reflected in the Statement of Net Position.

Unearned Revenues

Unearned revenues represent revenues collected in advance of services performed and will be recognized when the services are rendered.

Compensated Absences

The Port Authority provides employees a bank of time for paid absences on an annual basis. The bank of time is referred to as Paid Time Off ("PTO"). Under this policy, employees receive a bank of PTO based on years of continuous service with the Port Authority. All unused time is bought back annually by the Port Authority.

The Port Authority also maintains a separate vacation policy for 33 members of the Southwest Florida Professional Fire Fighters, Local Chapter 1826, IAFF, Inc. Under this policy, the employees are able to accumulate earned but unused vacation and sick pay benefits, which will be paid to employees upon separation from service if certain criteria are met.

Benefits under both policies, plus their related tax, are classified as compensated absences and are accrued when incurred. This is pursuant to GASB Statement Number 16, *Accounting for Compensated Absences*.

Unamortized Bond Premiums and Discounts

Bond premiums and discounts related to long-term debt are amortized over the life of the debt, principally by the effective-interest method. Revenue bonds payable and notes payable are shown net of unamortized premiums and discounts.

Deferred Outflows of Resources

Deferred outflows of resources represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense) until then. The deferred outflows of resources reported in the Port Authority's Statement of Net Position represents other postemployment benefit related balances for the difference between expected and actual experience and changes in actuarial assumptions; pension related balances for changes in actuarial assumptions, the difference between expected and actual

Lee County Port Authority
Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2019

economic experience, the net difference between projected and actual earnings, changes in the proportion and differences between the Port Authority's contributions and proportionate share of contributions, and the Port Authority's contributions subsequent to the measurement date. These amounts will be recognized as increases in expense in future years. The Port Authority also reports a deferred outflow of resources for the loss on refunding that result from the difference in the carrying value of refunded debt and its reacquisition price. This amount is amortized using the effective-interest method over the shorter of the life of the old bond or the life of the new bond.

Deferred Inflows of Resources

Deferred inflows of resources represents acquisition of resources that applies to future reporting period(s) and will not be recognized as an inflow of resource (revenue) until then. The deferred inflows of resources reported in the Port Authority's Statement of Net Position represents other postemployment benefits related balances for the difference between expected and actual experience and changes in actuarial assumptions; pension related balances for the difference between expected and actual economic experience, the net difference between projected and actual earnings, and changes in the proportion and differences between the Port Authority's contributions and proportionate share of contributions relating to the Florida Retirement System Pension Plan and the Retiree Health Insurance Subsidy Program. These amounts will be recognized as reductions in expense in future years.

Pensions

In the statement of net position, liabilities are recognized for the Port Authority's proportionate share of each pension plan's net pension liability. For purposes of measuring the net pension liability, deferred outflows/inflows of resources, and pension expense, information about the fiduciary net position of the Florida Retirement System (FRS) defined benefit plan and the Health Insurance Subsidy (HIS) and additions to/deductions from FRS's and HIS's fiduciary net position have been determined on the same basis as they are reported by the FRS and HIS plans. For this purpose, plan contributions are recognized as of employer payroll paid dates and benefit payments and refunds of employee contributions are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Net Position

Net position is categorized as net investment in capital assets, restricted, and unrestricted. Restricted net position indicates amounts that have constraints on their use externally imposed by creditors, through debt covenants, by grantors, or by law. Restricted for debt service is used to segregate resources accumulated for current or future debt service payments.

User Fees

User fees are generated from airlines' signatory and non-signatory leases with the Port Authority and include landing fees and rents. Also in this category are gross fuel sales from Page Field.

Rentals

Revenues from this category include rental car revenues paid to the Airport, gross parking lot revenues, and terminal concession payments to the Airport.

Lee County Port Authority
Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2019

Capital Contributions

Capital contributions consist mainly of grants from Federal and State agencies. As these grants are subject to annual approved appropriations by the Federal and State agencies, they are recognized as revenue when both the expenditures are incurred and the appropriations are approved by the Federal and State agencies.

NOTE II. RECEIVABLES

At September 30, 2019 accounts receivable consisted of the following (dollars in thousands):

	Gross Accounts Receivable	Allowance for Doubtful Accounts	Net Accounts Receivable
Unrestricted	\$5,432	(\$250)	\$5,182
Restricted	<u>2,804</u>	<u>-</u>	<u>2,804</u>
Total	<u>\$8,236</u>	<u>(\$250)</u>	<u>\$7,986</u>

NOTE III. RESTRICTED ASSETS

At September 30, 2019 restricted assets consisted of the following (dollars in thousands):

Cash, cash equivalents, and investments	\$91,978
Cash and cash equivalents with fiscal agent	17,997
Receivables (net):	
Accounts	<u>2,804</u>
Total	<u>\$112,779</u>

NOTE IV. CASH, CASH EQUIVALENTS, AND INVESTMENTS

As of September 30, 2019 the Port Authority had the following deposits, investments, and maturities (dollars in thousands):

<u>Investment</u>	<u>Maturities</u>	<u>Fair Value</u>	<u>Call Date</u>	<u>Call Frequency</u>	<u>Rating</u>
Cash on hand	N/A	\$ 106			N/A
Cash with fiscal agent	N/A	17,997			N/A
Demand deposits	N/A	59,145			N/A
SBA-Local Government Surplus Funds					
Trust Fund Investment Pool- Florida PRIME*	37 days	165,667			AAAm
Total		<u>\$ 242,915</u>			

*\$480 thousand of this balance is included within the Board's SBA-Local Government Surplus Funds Trust Fund Investment Pool-Florida PRIME investment pool account and represents funding for the Port Authority September 30, 2019 ACH payments.

Lee County Port Authority
Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS

Restricted cash, cash equivalents and investments	17,997
<i>Non-current:</i>	
Restricted:	
Cash, cash equivalents and investments	91,978
Total	<u>\$ 242,915</u>

Fair Value

The Port Authority categorizes its fair value measurements within the fair value hierarchy established in Governmental Accounting Standards Board Statement No. 72, *Fair Value Measurements and Application*. The hierarchy is based on valuation inputs used to measure the fair value of the asset.

Level 1 - Valuation is based on quoted prices for identical instruments traded in active markets. At September 30, 2019, the Port Authority held no such assets.

Level 2 - Valuation is based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market. At September 30, 2019, the Port Authority held no such assets.

Level 3 - Valuation is based on model-based techniques that use significant inputs and assumptions not observable in the market. These unobservable inputs and assumptions reflect the Reserve Banks' estimates of inputs and assumptions that market participants would use in pricing the assets and liabilities. Valuation techniques include the use of option pricing models, discounted cash flow models, and similar techniques. At September 30, 2019, the Port Authority held no such assets.

The categorization of investments within the hierarchy is based upon the pricing transparency of the instrument and should not be perceived as the particular investment's risk.

Credit Risk

The Port Authority adheres to the Board's Investment Policy ("the Policy"), which limits credit risk by restricting authorized investments for their investment portfolio to the following:

- A.) Direct obligations of, or obligations the principal and interest of which are unconditionally guaranteed by the United States Government.
- B.) U.S. Government sponsored enterprises.
- C.) U.S. Government Agencies.
- D.) Florida Local Government Surplus Funds Trust Fund.
- E.) Interest-bearing time deposits or savings accounts in banks organized under the laws of Florida, in national banks organized under the laws of the United States and doing business and situated in Florida. Savings and loan associations which are under federal law and supervision, provided deposits are secured by collateral as may be prescribed by law. The institution must be fully insured by Federal Deposit Insurance Corporation, or Federal Savings and Loan Insurance Corporation, and are approved by the State Treasurer as a qualified public depository.

Lee County Port Authority
Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2019

- F.) Securities of, or other interests in, any open-end or closed-end management type investment company or investment trust registered under the Investment Company Act of 1940, provided their portfolio is limited to United States Government obligations and repurchase agreements fully collateralized by such United States Government obligations.
- G.) Repurchase agreements with any primary brokers/dealers that are fully collateralized by direct obligations of United States, or United States government sponsored corporation/ instrumentalities, or United States government agencies.
- H.) Bonds, notes or obligations of any state of the United States, any municipality, political subdivision, agency or authority of this state which are exempt from federal income taxation, and are rated by any nationally recognized rating agency for municipal bonds in any of the two highest classifications.
- I.) SEC - registered, no-load money market mutual funds whose portfolios consist of tax exempt securities and repurchase agreements, whose shares of the mutual fund must be rated in the highest category by a nationally recognized rating service.
- J.) Florida Local Government Investment Trust (FLGIT).
- K.) SEC registered money market mutual funds with average portfolio maturities under 120 days, whose portfolios consist of United States Government securities and repurchase agreements secured by such securities.

The Policy requires that collateral for overnight and term repurchase agreements must maintain a minimum price of 101 percent on U.S. Treasuries and 102 percent on Agencies and Instrumentalities not to exceed five (5) years, and must be "marked to market" on a weekly basis. The Board's Policy also requires that the obligations of any state or municipality be rated by at least one of the nationally recognized rating agencies in any one of the two (2) highest classifications, and that investments in money market mutual funds must be rated in the highest category by a nationally recognized rating service. All credit ratings indicated in the above table are Standard & Poor's (S&P) ratings.

Custodial Credit Risk

The Policy requires that bank deposits be secured as provided by Chapter 280, *Florida Statutes*, and that the banks must be fully insured by the Federal Deposit Insurance Corporation ("FDIC") or the Federal Savings and Loan Insurance Corporation ("FSLIC") and approved by the State Treasurer as a public depository. At September 30, 2019, all of the Port Authority's bank deposits were in qualified public depositories.

Interest Rate Risk

The Policy requires an average minimum dollar amount equivalent to eight weeks of expenditures shall be held in a liquid investment, and securities will not be directly invested in or accepted as collateral that have a maturity date greater than five (5) years from the settlement date.

Concentration of Credit Risk

The Policy establishes limitations on portfolio composition for the County in whole in order to control concentration of credit risk. The Policy allows 100 percent of the portfolio to be invested in United States Treasuries/Agencies, 50 percent to be invested in Local Government Surplus Funds Trust Funds, 20 percent to be invested in term repurchase agreements, 65 percent to be invested in money market mutual funds (no individual fund family can exceed 30 percent of the overall portfolio), 30 percent to be invested in Certificates of Deposits and savings accounts, and 5 percent to be invested in FLGIT. No more than 25 percent of the total portfolio can be invested with one investment company. The Port Authority did not have a portion invested in Federal instrumentalities at September 30, 2019.

NOTES TO THE FINANCIAL STATEMENTS
September 30, 2019

NOTE V. CAPITAL ASSETS (continued)

Minimum Future Rentals

The Port Authority leases certain facilities to vendors at the Southwest Florida International Airport. Such agreements are short-term in nature and are accounted for as operating leases. Certain leases contain both fixed minimum rentals and contingent rentals based on the vendor's agreement. Contingent rental revenues arise from a percentage of the lessees' gross revenue.

At September 30, 2019, minimum future rentals of operating leases were as follows (dollars in thousands):

<u>Fiscal Year(s)</u>	<u>Amount</u>
2020	\$53,325
2021	51,557
2022	30,028
2023	30,013
2024	28,094
Later years	<u>37,943</u>
Total minimum future revenue	<u>\$230,960</u>

For the year ended September 30, 2019, \$11,082,000 of contingent rentals were included in rentals, concessions, and rental car revenues on the accompanying Statement of Revenues, Expenses, and Changes in Net Position.

Substantially all of the Port Authority's property is used in leasing activities with either airlines or other vendors.

NOTE VI. LONG-TERM DEBT

Revenue Bonds

The Airport Revenue Bonds were issued for various capital projects. The bonds are secured by a lien on and a pledge of net revenues of the SWFIA. Principal and interest paid for the current year and pledged revenues collected were \$24,392,000 and \$42,478,000, respectively. The total principal and interest remaining to be paid is \$367,528,000.

<u>Issue</u>	<u>Maturity</u>	<u>Interest Rate</u>	<u>Effective Interest Rate</u>	<u>Amount Issued</u>	<u>Outstanding Balances</u>
Airport Revenue Refunding Bonds, Series 2010A	2022	3.00% to 5.50%	5.25%	\$ 119,350,000	\$ 47,865,000
Airport Revenue Refunding Bonds, Series 2011A	2032	3.00% to 5.63%	5.53%	174,450,000	173,195,000
Airport Revenue Refunding Bonds, Series 2015	2033	5.00%	4.65%	33,425,000	33,425,000
					<u>\$ 254,485,000</u>

Lee County Port Authority
Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2019

The total revenue bonds payable at September 30, 2019 was \$254,485,000. The annual debt service requirements for revenue bonds at September 30, 2019, were as follows (dollars in thousands):

Fiscal Year(s)	Port Authority		TOTAL
	Principal	Interest	
2020	\$ 11,310	\$ 13,065	24,375
2021	11,930	12,471	24,401
2022	12,500	11,875	24,375
2023	13,125	11,236	24,361
2024	14,305	10,515	24,820
2025-2029	84,265	39,574	123,839
2030-2034	107,050	14,307	121,357
Total	\$ 254,485	\$ 113,043	\$ 367,528

The following is a summary of bond activity of the Port Authority for the year ended September 30, 2019 (dollars in thousands):

Beginning balance	\$	265,210
Reductions		(10,725)
Bonds Payable at end of fiscal year		254,485
Plus unamortized premium		4,435
Bonds payable at end of fiscal year, net	\$	258,920

Bond Resolutions

The Airport Revenue Bonds, Series 2010A, the Airport Revenue Refunding Bonds, Series 2011A (AMT), and the Airport Revenue Refunding Bonds, Series 2015 are collateralized by a lien on and a pledge of the net revenues from the operation of SWFIA.

The Port Authority has agreed to maintain such fees and rates to provide revenues sufficient to pay all current expenses of SWFIA and the greater of 125 percent of the principal and interest payments due in the next succeeding fiscal year or 100 percent of the principal and interest payments due in the next succeeding fiscal year plus any other required payments under the bond resolutions.

The resolutions for the following bonds established certain accounts and determined the order in which certain revenues are to be deposited into those accounts. In addition, there are various other covenants established by the official statements and resolutions, including such items as debt service coverage, reporting requirements, and maintenance of facilities. Management believes that it has complied, in all material respects, with these covenants. All required balances at year-end were maintained on the following issues:

Airport Revenue Refunding Bonds, Series 2015

Operating Leases

The Port Authority is currently committed to various operating leases with terms in excess of one year. The future minimum rental payments as of September 30, 2019 were as follows (dollars in thousands):

<u>Fiscal Year(s)</u>	<u>Amount</u>
2020	\$101
2021	49
2022	2
Total	<u>\$152</u>

The total rental expense for all operating leases, including those with terms of less than one year, for the years ended September 30, 2019 was \$101,000.

Capital Leases

Capitalized leases payable at September 30, 2019 amounted to \$380,000. This obligation, which is collateralized by equipment and vehicles, have total annual installments of \$384,000 including interest ranging from 1.99 percent to 3.65 percent and mature through 2020. Equipment currently leased under capital leases had a historical cost of \$1,649,000 and accumulated depreciation of \$1,282,000.

Future minimum capital lease obligations as of September 30, 2019 were as follows (dollars in thousands):

<u>Fiscal Year</u>	<u>Activities</u>
2020	384
Total	384
Less Interest:	<u>(4)</u>

NOTE VIII. RETIREMENT PLAN

Defined Benefit Pension Plans

Background

The Florida Retirement System (FRS) was created by Chapter 121, Florida Statutes, to provide a defined benefit pension plan for participating public employees. The FRS was amended in 1998 to add the Deferred Retirement Option Program under the defined benefit plan and amended in 2000 to provide a defined contribution plan alternative to the defined benefit plan for FRS members effective July 1, 2002. This integrated defined contribution pension plan is the FRS Investment Plan. Chapter 112, Florida Statutes, established the Retiree Health Insurance Subsidy (HIS) Program, a cost-sharing multiple-employer defined benefit pension plan, to assist retired members of any State-administered retirement system in paying the costs of health insurance.

All regular Port Authority employees are eligible to enroll as members of the State-administered FRS. Provisions relating to the FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112, Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions, and benefits are defined and described in detail. Such provisions may be amended at any time by further action from the Florida Legislature. The FRS is a single retirement system administered by the Florida Department of Management Services, Division of Retirement, and consists of the two cost-sharing, multiple-employer defined benefit plans and other nonintegrated programs. A comprehensive annual financial report of the FRS, which includes its financial statements, required supplementary information, actuarial report, and other relevant information, is available from the Florida Department of Management Services' Web site (www.dms.myflorida.com).

The Port Authority's pension expenses for both the FRS Pension Plan and HIS Plan for the year ended September 30, 2019 totaled \$6,524,000.

Florida Retirement System Pension Plan (FRS Plan)

Plan Description

The Florida Retirement System Pension Plan (FRS Plan) is a cost-sharing multiple-employer defined benefit pension plan, with a Deferred Retirement Option Program (DROP) for eligible employees. The general classes of membership are as follows:

- *Regular Class* - Members of the FRS who do not qualify for membership in the other classes.
- *Elected County Officers Class* - Members who hold specified elective offices in local government.
- *Senior Management Service Class (SMSC)* - Members in senior management level positions.
- *Special Risk Class* - Members who are special risk employees, such as law enforcement officers, meet the criteria to qualify for this class.

Employees enrolled in the FRS Plan prior to July 1, 2011, vest at 6 years of creditable service and employees enrolled in the FRS Plan on or after July 1, 2011, vest at 8 years of creditable service. All vested members, enrolled prior to July 1, 2011, are eligible for normal retirement benefits at age 62 or at any age after 30 years of service, except for members classified as special risk who are eligible for normal retirement benefits at age 55 or at any age after 25 years of service. All members enrolled in the FRS Plan on or after July 1, 2011, once vested, are eligible for normal retirement benefits at age 65 or any time after 33 years of creditable service, except for members classified as special risk who are eligible for normal retirement benefits at age 60 or at any age after 30 years of

Lee County Port Authority
Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2019

service. Employees enrolled in the FRS Plan may include up to 4 years of credit for military service toward creditable service. The FRS Plan also includes an early retirement provision; however, there is a benefit reduction for each year a member retires before his or her normal retirement date. The FRS Plan provides retirement, disability, death benefits, and annual cost-of-living adjustments to eligible participants.

DROP, subject to provisions of Section 121.091, Florida Statutes, permits employees eligible for normal retirement under the FRS Plan to defer receipt of monthly benefit payments while continuing employment with an FRS participating employer. An employee may participate in DROP for a period not to exceed 60 months after electing to participate, except that certain instructional personnel may participate for up to 96 months. During the period of DROP participation, deferred monthly benefits are held in the FRS Trust Fund and accrue interest. The net pension liability does not include amounts for DROP participants, as these members are considered retired and are not accruing additional pension benefits.

Benefits Provided

Benefits under the FRS Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the 5 highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the 8 highest fiscal years' earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement class to which the member belonged when the service credit was earned. Members are eligible for in-line-of-duty or regular disability and survivors' benefits. The following chart shows the percentage value for each year of service credit earned:

<u>Class, Initial Enrollment, and Retirement Age / Years of Service</u>	<u>% Value</u>
Regular Class members initially enrolled before July 1, 2011	
Retirement up to age 62 or up to 30 years of service	1.60
Retirement up to age 63 or up to 31 years of service	1.63
Retirement up to age 64 or up to 32 years of service	1.65
Retirement up to age 65 or up to 33 years of service	1.68
Regular Class members initially enrolled on or after July 1, 2011	
Retirement up to age 65 or up to 33 years of service	1.60
Retirement up to age 66 or up to 34 years of service	1.63
Retirement up to age 67 or up to 35 years of service	1.65
Retirement up to age 68 or up to 36 years of service	1.68
Senior Management Service Class	2.00
Special Risk Regular	
Service from December 1, 1970, through September 30, 1974	2.00
Service on and after October 1, 1974	3.00

As provided in Section 121.101, Florida Statutes, if the member is initially enrolled in the FRS before July 1, 2011, and all service credit was accrued before July 1, 2011, the annual cost-of-living adjustment is 3 percent per year. If the member is initially enrolled before July 1, 2011, and has service credit on or after July 1, 2011, there is an individually calculated cost-of-living adjustment. The annual cost-of-living adjustment is a proportion of 3 percent determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by 3 percent. FRS Plan members initially enrolled on or after July 1, 2011, will not have a cost-of-living adjustment after retirement. In 2017, Senate Bill 7022 made several changes to FRS. The bill provides for renewed

Lee County Port Authority
Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2019

membership in the investment plan to reemployed defined contribution plan retirees, as well as, In-Line-of Duty Death Benefits.

Contributions

The Florida Legislature establishes contribution rates for participating employers and employees. Effective July 1, 2011, all FRS Plan members (except those in DROP) are required to make 3 percent employee contributions on a pretax basis. The contribution rates attributable to the Port Authority, effective July 1, 2018, were applied to employee salaries as follows: regular employees 6.54 percent, county elected officials 46.98 percent, senior management 22.34 percent, and DROP participants 12.37 percent. The Port Authority's contributions to the FRS Plan were \$2,641,000 for the year ended September 30, 2019.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At September 30, 2019, the Port Authority reported a liability of \$27,217,000 for its proportionate share of the FRS Plan's net pension liability. The net pension liability was measured as of June 30, 2019, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2019. The Port Authority's proportion of the net pension liability was based on the Port's contributions received by FRS during the measurement period for employer payroll paid dates from July 1, 2018, through June 30, 2019, relative to the total employer contributions received from all of FRS's participating employers. At June 30, 2019, the Port Authority's proportion was 0.0790%, which was a decrease of 0.0015% from its proportion measured as of June 30, 2018.

For the year ended September 30, 2019, the Port Authority recognized pension expense of \$6,296,000 for its proportionate share of FRS's pension expense.

In addition, the Port Authority reported its proportionate share of FRS's deferred outflows of resources and deferred inflows of resources from the following sources:

<u>Description</u>	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Differences Between Expected and Actual Economic Experience	\$ 1,614,000	\$ 17,000
Changes in Actuarial Assumptions	6,990,000	-
Net Difference Between Projected and Actual Earnings on Pension Plan Investments	-	1,506,000
Changes in Proportion and Differences Between Port Authority Contributions and Proportionate Share of Contributions	906,000	150,000
Port Authority Contributions Subsequent to the Measurement Date	608,000	-
Total	<u>\$ 10,118,000</u>	<u>\$ 1,673,000</u>

Lee County Port Authority
Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2019

Deferred outflows of resources related to pensions included \$608,000 from contributions subsequent to the measurement date. This amount will be recognized as a reduction of the net pension liability in the year ended September 30, 2020. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ended September 30:	
2020	\$2,748,000
2021	970,000
2022	2,018,000
2023	1,549,000
2024	447,000
Thereafter	105,000

Actuarial Assumptions

The total pension liability in the July 1, 2019 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.60%, per year
Salary increases	3.25%, Average
Investment rate of return	6.90%

Mortality rates were based on the PUB2010 base tables vary by member category and sex, projected generationally with Scale MP-2018. The actuarial assumptions used in the July 1, 2019, valuation were based on the results of an actuarial experience study for the period July 1, 2013, through June 30, 2018.

The long-term expected rate of return on pension plan investments was not based on historical returns, but instead is based on a forward-looking capital market economic model. The allocation policy's description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions, and includes an adjustment for the inflation assumption. The target allocation, as outlined in the FRS Plan's investment policy, and best estimates of arithmetic and geometric real rates of return for each major asset class are summarized in the following table:

Asset Class	Target Allocation	Annual Arithmetic Return	Compound Annual Geometric Return	Standard Deviation
Cash	1.0%	3.3%	3.3%	1.2%
Fixed Income	18.0%	4.1%	4.1%	3.5%
Global Equity	54.0%	8.0%	6.8%	16.5%
Real Estate (property)	10.0%	6.7%	6.1%	11.7%
Private Equity	11.0%	11.2%	8.4%	25.8%
Strategic Investments	6.0%	5.9%	5.7%	6.7%
Totals	100.0%			
Assumed Inflation - Mean			2.6%	1.7%

Lee County Port Authority
Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2019

Discount Rate

The discount rate used to measure the total pension liability was 6.90 percent for the FRS Plan. The projection of cash flows used to determine the discount rate assumed that employee and employer contributions will be made at the rate specified in statute. Based on that assumption, each of the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Pension Liability Sensitivity

The following presents the Port Authority's proportionate share of the net pension liability for the FRS Plan, calculated using the discount rate disclosed in the preceding paragraph, as well as what the Port Authority's proportionate share of the net pension liability would be if it were calculated using a discount rate one percentage point lower or one percentage point higher than the current discount rate:

Description	1% Decrease	Current Discount Rate	1% Increase in Discount Rate
FRS Plan Discount Rate	5.90%	6.90%	7.90%
Port Authority Proportionate Share of the FRS Plan Net Pension Liability	\$ 47,049,000	\$ 27,217,000	\$ 10,654,000

Pension Plan Fiduciary Net Position

Detailed information about the FRS Plan's fiduciary's net position is available in a separately-issued FRS Pension Plan and Other State-Administered Systems Comprehensive Annual Financial Report. The report may be obtained through the Florida Department of Management Services website: <http://www.dms.myflorida.com>.

Retiree Health Insurance Subsidy Program (HIS Plan)

Plan Description

The Retiree Health Insurance Subsidy Program (HIS Plan) is a cost-sharing multiple-employer defined benefit pension plan established under Section 112.363, Florida Statutes, and may be amended by the Florida Legislature at any time. The benefit is a monthly payment to assist retirees of State-administered retirement systems in paying their health insurance costs and is administered by the Florida Department of Management Services, Division of Retirement.

Benefits Provided

For the fiscal year ended June 30, 2019, eligible retirees and beneficiaries received a monthly HIS payment of \$5 for each year of creditable service completed at the time of retirement, with a minimum HIS payment of \$30 and a maximum HIS payment of \$150 per month, pursuant to Section 112.363, Florida Statutes. To be eligible to receive

Lee County Port Authority
Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2019

a HIS Plan benefit, a retiree under a State-administered retirement system must provide proof of health insurance coverage, which may include Medicare.

Contributions

The HIS Plan is funded by required contributions from FRS participating employers as set by the Florida Legislature. Employer contributions are a percentage of gross compensation for all active FRS members. For the fiscal year ended June 30, 2019, the contribution rate was 1.66 percent of payroll pursuant to section 112.363, Florida Statutes. The County contributed 100 percent of its statutorily required contributions for the current and preceding 3 years. HIS Plan contributions are deposited in a separate trust fund from which payments are authorized. HIS Plan benefits are not guaranteed and are subject to annual legislative appropriation. In the event the legislative appropriation or available funds fail to provide full subsidy benefits to all participants, benefits may be reduced or canceled. The Port Authority's contributions to the HIS Plan were \$404,000 for the year ended September 30, 2019.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At September 30, 2019, the Port Authority reported a liability of \$6,496,000 for its proportionate share of the HIS Plan's net pension liability. The net pension liability was measured as of June 30, 2019, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2018. The Port Authority's proportion of the net pension liability was based on the Port Authority's contributions received during the measurement period for employer payroll paid dates from July 1, 2018, through June 30, 2019, relative to the total employer contributions received from all participating employers. At June 30, 2019, the Port Authority's proportion was 0.0581 percent, which was a decrease of 0.0025 percent from its proportion measured as of June 30, 2018.

For the year ended September 30, 2019, the Port Authority recognized pension expense of \$228,000 for its proportionate share of HIS's pension expense. In addition, the Port Authority reported its proportionate share of HIS's deferred outflows of resources and deferred inflows of resources from the following sources:

<u>Description</u>	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Differences Between Expected and Actual Economic Experience	\$ 79,000	\$ 8,000
Changes in Actuarial Assumptions	752,000	531,000
Net Difference Between Projected and Actual Earnings on Pension Plan Investments	4,000	-
Changes in Proportion and Differences Between Port Authority Contributions and Proportionate Share of Contributions	420,000	73,000
Port Authority Contributions Subsequent to the Measurement Date	77,000	-
Total	<u>\$ 1,332,000</u>	<u>\$ 612,000</u>

Lee County Port Authority
Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2019

Deferred outflows of resources related to pensions included \$77,000 resulting from Port Authority’s contributions subsequent to the measurement date. This amount will be recognized as a reduction of the net pension liability in the year ended September 30, 2020. Other amounts reported as deferred outflows and inflows of resources related to pensions will be recognized as an increase (decrease) in pension expense as follows:

Year Ended September 30:	
2020	\$193,000
2021	178,000
2022	134,000
2023	8,000
2024	59,000
Thereafter	71,000

Actuarial Assumptions

The total pension liability in the July 1, 2019, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.60 %, per year
Salary increases	3.25 %, avg with inflation
Investment rate of return	3.50 %

Mortality rates were based on the Generational RP-2000 with Projection Scale BB. The actuarial assumptions used in the July 1, 2018, valuation were based on the results of an actuarial experience study for the period July 1, 2013, through June 30, 2018.

Discount Rate

The discount rate used to measure the total pension liability was 3.50 percent for the HIS Plan. In general, the discount rate for calculating the total pension liability is equal to the single rate equivalent to discounting at the long-term expected rate of return for benefit payments prior to the projected depletion date. Because the HIS benefit is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate, and the single equivalent discount rate is equal to the municipal bond rate selected by the HIS Plan sponsor. The Bond Buyer General Obligation 20-Bond Municipal Bond Index was adopted as the applicable municipal bond index.

Pension Liability Sensitivity

The following presents the Port Authority’s proportionate share of the net pension liability for the HIS Plan, calculated using the discount rate disclosed in the preceding paragraph, as well as what the Port Authority’s proportionate share of the net pension liability would be if it were calculated using a discount rate one percentage point lower or one percentage point higher than the current discount rate:

Lee County Port Authority
Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2019

Description	1% Decrease	Current Discount Rate	1% Increase in Discount Rate
HIS Plan Discount Rate	2.50%	3.50%	4.50%
Port Authority's Proportionate Share of the HIS Plan Net Pension Liability	\$ 7,416,000	\$ 6,496,000	\$ 5,730,000

Pension Plan Fiduciary Net Position

Detailed information about the HIS Plan's fiduciary's net position is available in a separately-issued FRS Pension Plan and Other State-Administered Systems Comprehensive Annual Financial Report. That report may be obtained through the Florida Department of Management Services website: <http://www.dms.myflorida.com>.

Summary

The aggregate amount of net pension liability, related deferred outflows of resources and deferred inflows of resources and pension expense for the Port's proportionate share of the defined benefit pension plans are summarized below.

<u>Description</u>	<u>FRS Plan</u>	<u>HIS Plan</u>	<u>Total</u>
Net Pension Liability	\$ 27,217,000	\$ 6,496,000	\$ 33,713,000
Deferred outflows of resources related to pensions	10,118,000	1,332,000	11,450,000
Deferred inflows of resources related to pensions	1,673,000	612,000	2,285,000
Pension expense	6,296,000	228,000	6,524,000

Defined Contribution Plan

The Florida State Board of Administration (SBA) administers the defined contribution plan officially titled the FRS Investment Plan (Investment Plan). The Investment Plan is reported in the SBA's annual financial statements and in the State of Florida Comprehensive Annual Financial Report.

As provided in Section 121.4501, Florida Statutes, eligible FRS members may elect to participate in the Investment Plan in lieu of the FRS defined benefit plan. Port Authority employees participating in DROP are not eligible to participate in the Investment Plan. Employer and employee contributions, including amounts contributed to individual member's accounts, are defined by law, but the ultimate benefit depends in part on the performance of investment funds. Benefit terms, including contribution requirements, for the Investment Plan are established and may be amended by the Florida Legislature. The Investment Plan is funded with the same employer and employee contribution rates that are based on salary and membership class (Regular Class, Elected County Officers, etc.), as the FRS defined benefit plan. Contributions are directed to individual member accounts, and the individual members allocate contributions and account balances among various approved investment choices. Costs of administering plan, including the FRS Financial Guidance Program, are funded through an employer contribution of 0.06 percent of payroll and by forfeited benefits of plan members.

For all membership classes, employees are immediately vested in their own contributions and are vested after 1 year of service for employer contributions and investment earnings. If an accumulated benefit obligation for service credit originally earned under the FRS Pension Plan is transferred to the Investment Plan, the member must have the years of service required for FRS Pension Plan vesting (including the service credit represented by

Lee County Port Authority
Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2019

the transferred funds) to be vested for these funds and the earnings on the funds. Non-vested employer contributions are placed in a suspense account for up to 5 years. If the employee returns to FRS-covered employment within the 5-year period, the employee will regain control over their account. If the employee does not return within the 5-year period, the employee will forfeit the accumulated account balance. For the fiscal year ended June 30, 2019, the information for the amount of forfeitures was unavailable from the SBA; however, management believes that these amounts, if any, would be immaterial to the Port Authority.

After termination and applying to receive benefits, the member may rollover vested funds to another qualified plan, structure a periodic payment under the Investment Plan, receive a lump-sum distribution, leave the funds invested for future distribution, or any combination of these options. Disability coverage is provided; the member may either transfer the account balance to the FRS Pension Plan when approved for disability retirement to receive guaranteed lifetime monthly benefits under the FRS Pension Plan, or remain in the Investment Plan and rely upon that account balance for retirement income.

The Port Authority's Investment Plan pension expense totaled \$180,000 for the year ended September 30, 2019.

Other Postemployment Benefits

The Port Authority provides post-retirement health care benefits, through participation in the Group Health Program for Lee County (GHPLC) plan, to all employees who retire from the Port Authority. Pursuant to provisions of Section 112.08, *Florida Statutes*, former employees and eligible dependents who retire from the local government unit may continue to participate in the group or self-insurance plan for comprehensive health and hospitalization at a premium cost not to exceed the premium cost for active employees. Contribution requirements are established and may be amended by the County.

Plan Description

The Group Health Program for Lee County (GHPLC) provides medical, dental, vision and life insurance benefits (OPEB) to County retirees and their spouses. All the Constitutional Officers, except the Lee County Sheriff, participate in GHPLC. At October 1, 2019, the date of the latest actuarial valuation, plan participation consisted of 3,748 current active plan members, 974 retirees and 398 eligible dependents receiving postemployment health care benefits. In addition, Medicare eligible retirees and their Medicare eligible dependents may enroll in the Medicare Advantage Plan (MAP), a fully funded insurance plan administered by Aetna.

Funding Policy

The County subsidizes the premium rates paid by retirees by allowing them to participate at blended premium rates for both active and retired employees. These rates provide an implicit subsidy for retirees because, on an actuarial basis, retiree claims are expected to result in higher costs to the plan on average than those of active employees. In addition, for retirees with a hire date prior to January 1, 2008, the County offers a direct subsidy of 60 percent for MAP participants and 50 percent for Aetna participants. A \$96 discount is applied for plan members enrolled in Medicare Part B for the self-insurance plan. No discount is offered for MAP. The plan also allows retirees the option to continue to participate in the GHPLC life insurance policy. The life insurance is only available to the retiree, and has a face value of \$5,000. The following table summarizes the retirees' monthly contribution rates for 2019. The Plan is funded on a pay-as-you-go basis.

Lee County Port Authority
Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2019

	General Employee Retirees	
	<u>Aetna</u>	<u>MAP</u>
Medical/ Prescriptions:		
Retiree Only		
Pre 65 Years Old	\$440	N/A
Medicare Eligible	344	135
Retiree plus Spouse		
Pre 65 Years Old	838	N/A
Medicare Eligible	645	270
Retiree Plus dependent		
Pre 65 Years Old	823	N/A
Medicare Eligible	630	270
Retiree plus family		
Pre 65 Years Old	845	N/A
Medicare Eligible (3) (spouse + one dep)	652	405
Life:		
Individual Coverage	5	
Spouse	N/A	

Effective October 1, 2018, the County offered the premium subsidy to all retirees with six or more years of consecutive employment prior to retirement. The Clerk of Circuit Court will offer the premium subsidy to all retirees with eight or more years of consecutive employment. The Port Authority will continue to offer the subsidy to employees hired prior to January 1, 2008.

Actuarial Methods and Assumptions

The total OPEB liability in the September 30, 2019 actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement:

Inflation Rate	2.5%
Salary Increases	N/A
Discount Rate	2.66%
Healthcare Cost Trend Rate	7.90% pre 65 8.80% at least 65 9.60% MAP
Retirees' share of benefit cost, percent of premium:	
Subsidy Eligible	40% MAP 50% Aetna

The discount rate was based on the 20 Year Municipal Bond Rate at September 30, 2019, in the Bond Buyer GO 20-Bond Municipal Bond Index.

Mortality rates were based on the PUBS.H-2010 Tables for employees and retirees projected generationally with scale MP-2018 and PUBS.H-2010SB Tables for survivor beneficiaries projected generationally with Scale MP-2018. The actuarial assumptions used in the September 30, 2019 valuation were based on the results of an actuarial experience study for the period October 1, 2018 through September 30, 2019.

Lee County Port Authority
Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2019

The rationales for selecting each of the assumptions used in the financial accounting valuation and for the assumption changes summarized above are to best reflect the current market conditions and recent plan experience.

Total OPEB Liability

At September 30, 2019, the Port Authority reported a liability of \$54,966,000 for its share of the County's GHPLC plan's other postemployment benefits liability. The liability was measured as of September 30, 2019 and determined by an actuarial valuation as of that date. The Port Authority's proportion was based on the Port Authority's number of eligible employees. At September 30, 2019, the Port Authority's proportion was 11.5040 percent, which was an increase of 0.1106 percent from its proportion measured at September 30, 2018.

Changes in the Total OPEB Liability

Balance at September 30, 2018 (restated)	\$39,997,000
Changes for the year:	
Service Cost	975,000
Interest	1,690,000
Difference between Expected and Actual Experience	861,000
Changes in Assumptions	12,556,000
Benefit Payments	<u>(1,113,000)</u>
Net Changes	<u>14,969,000</u>
Balance at September 30, 2019	<u>\$54,966,000</u>

The following presents the Port Authority's proportionate share of total OPEB liability of the as well as what the Port Authority's proportionate share of total OPEB liability would be if it were calculated using a discount rate that is 1 percent higher or 1 percent lower than the current discount rate.

Description	1% Decrease (1.66%)	Current Rate (2.66%)	1% Increase (3.66%)
OPEB Liability	\$65,996,000	\$54,966,000	\$46,156,000

The following presents the Port Authority's proportionate share of total OPEB liability as well as what the Port's proportionate share of total OPEB liability would be if it were calculated using healthcare trend rates that are 1 percent higher or 1 percent lower than the current healthcare cost trend rate.

Lee County Port Authority
Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2019

Description	1% Decrease	Trend Rate	1% Increase
OPEB Liability	\$ 44,977,000	\$ 54,966,000	\$ 68,326,000

For the year ended September 30, 2019, the Port Authority recognized an expense of \$1,350,000 for its proportionate share of other postemployment benefits expense.

At September 30, 2019, the Port Authority reported its proportionate share of deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences Between Expected and Actual Experience	\$ 949,000	
Changes in Assumptions	11,219,000	10,477,000
Total	<u>\$ 12,168,000</u>	<u>\$ 10,477,000</u>

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

Year Ended September 30:	
2020	\$(203,000)
2021	(203,000)
2022	(203,000)
2023	(203,000)
2024	(203,000)
Total Thereafter	2,706,000

NOTE IX. RISK MANAGEMENT

The Port Authority property and casualty insurance lines are written through their broker, Alliant Insurance Services. All lines of insurance costs for 2019 was \$1,707,000. There have been no significant reductions in insurance coverage that have exceeded the amount of coverage in any of the past three years.

The Port Authority participates in the County's self-insurance program for group medical and group dental coverage. Funding for this program is generated by charges to the operating departments based on management's annual estimates of claim loss funding and administration/operating costs. For the fiscal year ended September 30, 2019 the Port Authority was charged \$5,594,000 for the insurance program.

The Port Authority is exposed to other various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters.

Lee County Port Authority
Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2019

NOTE X. COMMITMENTS AND CONTINGENCIES

At September 30, 2019 the Port Authority had in process various construction contracts totaling \$135,404,000. Costs incurred on these contracts as of September 30, 2019 totaled \$75,219,000 including retainage payable of \$2,048,000.

The Port Authority is currently receiving, and has received in the past, grants that are subject to special compliance audits by the grantor agency, which may result in disallowed expense amounts. These amounts constitute a contingent liability of the Port Authority. The Port Authority does not believe any contingent liabilities to be material.

The Port Authority currently prepares rebate calculations on all debt subject to arbitrage per the United States Department of the Treasury Regulations, Section 1.148, and the Internal Revenue Service Code of 1986. Rebates, if any, are paid to the Internal Revenue Service every fifth year after the year of issuance. Within the five-year period, any positive arbitrage (liability) may be offset by any negative arbitrage (non-liability). These rebates constitute a liability of the Port Authority, which is reported as other noncurrent liabilities.

NOTE XI. PASSENGER FACILITY CHARGE

In November 1992, the Port Authority received approval from the Federal Aviation Administration (“FAA”) to impose a Passenger Facility Charge (PFC) of \$3.00 per eligible enplaned passenger. In November 2003, the Port Authority was granted the authority to raise the PFC level from \$3.00 to \$4.50. In August 2019, the FAA approved amendments to Application #8 and #9 for \$115,194,000 and \$65,063,000 respectively increasing the total collection authority to \$522,185,000 as of September 30, 2019 with an estimated expiration date of June 1, 2028. In October 2019, the FAA approved Application #10 for \$385,351,000 and a third amendment to Application # 9 for \$758,000 increasing the total collection and use authority to \$908,294,000 and concurrently revising the estimated charge expiration date to November 1, 2039.

NOTE XII. AIRLINE USE AGREEMENTS

Signatory Airlines

The Port Authority negotiated a new airline use agreement (Airline Airport Lease & Use Agreement) with the Participating Airlines (now referred as Signatory Airlines) with the key terms of the agreement approved by the Board in May, 2008. The Agreement commenced on October 1, 2008, with a five-year term, expiring on September 30, 2013 and then a second five year extension expiring on September 30, 2018. Recently all the signatory airlines signed a three year extension to this agreement, expiring on September 30, 2021. In addition, in June 2018 Frontier Airlines signed the signatory agreement. All the key terms of the agreement are the same.

The new agreement, commonly referred to as a hybrid compensatory agreement, has a revenue sharing component. In any year in which there are net remaining revenues generated at the Airport, and all requirements of the Bond Resolution have been satisfied, the net remaining revenues shall be divided between the Authority (60 percent) and the Signatory Airlines (40 percent). The agreement provides for better flexibility as there is no majority-in-interest approval required for capital projects.

Refunds/Rebates are generated from settlement with the Airlines and the revenue sharing component of the Airline Airport Lease & Use Agreement.

Lee County Port Authority
Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2019

Terminal premises are leased on an exclusive use, preferential use, and joint use basis. The Authority will lease certain Terminal premises on a common use basis, as may be necessary. It is the intent of the Authority to manage its Terminal facilities in an efficient manner, while also respecting the schedules of its airline parties. Ticket counters, offices, operations areas, and baggage make-up facilities are leased on an exclusive use basis. Gates/holdrooms and aircraft parking positions are leased on a preferential use basis. Baggage claim is leased on a joint use basis, with costs allocated to the Signatory Airlines based on twenty percent allocated to all Signatory Airlines equally, and eighty percent allocated to all Signatory Airlines based on the ratio of each Signatory Airline’s annual enplaned passengers at the Airport.

Landing Fees are calculated using a “residual” Airfield Cost Center approach and are based upon the total landed weight for all airline groups (Signatory, non-Signatory, Cargo, Charter, and International). Terminal Rents are calculated using a commercial compensatory method (i.e., rentable square foot divisor). Charges for the leasing of all Terminal space are assessed on a square-footage basis.

In fiscal year 2019, the Signatory Airlines paid the Port Authority \$24,745,000. This amount is net of refunds of \$3,153,000 and revenue sharing of \$5,970,000.

Nonparticipating Airlines

The Port Authority has also entered into short- term use agreements or permits with the airlines serving the airport other than the Signatory Airlines. Nonparticipating airlines are assessed fees no less than those paid by the Signatory Airlines and do not share in any rebates.

NOTE XIII. OTHER

Litigation

The Port Authority is involved in ongoing litigation arising in the ordinary course of operations. It is the opinion of management and legal counsel that the outcome of this litigation will not materially affect the financial position of the Port Authority.

Restatements

During the preparation of the fiscal year 2019 other postemployment benefit (OPEB) actuarial reports, an error was discovered in the prior year actuarial report prepared to allocate the Port Authority’s portion of OPEB expense, liability, and related deferred outflows and inflows.

Changes to net position as of September 30, 2018, are as follows (dollars in thousands):

	Port Authority
Net Position, as previously reported	\$ 594,275
Prior period adjustment	(15,619)
Net Position, as restated	\$ 578,656

*Fiscal Year 2017 and 2018 amounts are restated, see note XIII.

Notes to Schedule

For the measurement date September 30, 2019, the amount reported as changes in assumptions resulted from the following:

- The discount rate changed from 4.18% at September 30, 2018 to 2.66% at September 30, 2019.
- Change in the mortality assumption from the PUBG.H-2010 Tables and PUBS.H-2010 Tables for employees and retirees, both projected generationally with Scale MP-2017 to the PUBG.H-2010 Tables and PUBS. H-2010 Tables for employees and retirees, both projected generationally with Scale MP-2018.

For the measurement date September 30, 2018, the amount reported as changes in assumptions resulted from the following:

- The discount rate changed from 3.64% at September 30, 2017 to 4.18% at September 30, 2018.
- Change in the mortality assumption from the aggregate 2006 base rates from the RP-2014 mortality study projected generationally from 2006 using Scale MP-2017 to the PUBG.H-2010 Tables and PUBS.H-2010 Tables for employees and retirees, both projected generationally with Scale MP-2017.

For the measurement date September 30, 2017, the amount reported as changes in assumptions resulted from the following:

- The discount rate changed from 4.00% at September 30, 2016 under GASB 45 to 3.06% at September 30, 2016 under GASB 75 and to 3.64% at September 30, 2017.
- Change in the mortality assumption from the aggregate 2006 base rates from the RP-2014 mortality study projected generationally from 2006 using Scale MP-2016 to the aggregate 2006 base rates from the RP-2014 mortality study projected generationally from 2006 using Scale MP-2017.
- Change in the percentage of future Medicare eligible retirees assumed to enroll in the Aetna plan from 50% to 60%, and a change in the percentage assumed to enroll in the Medicare Advantage plan from 50% to 40%.
- Change in the percentage of subsidy eligible retirees assumed to enroll in pre-65 medical coverage from 70% to 65%, to enroll initially in post-65 coverage from 56% to 49%, and to continue coverage upon attaining Medicare eligibility from 80% to 75%.
- Change in the percentage of non-subsidy eligible retirees assumed to enroll in pre-65 medical coverage from 40% to 25%, to enroll initially in post-65 coverage from 30% to 18%, and to continue coverage upon attaining Medicare eligibility from 75% to 70%.
- Health care claims rates and trend rates were updated to reflect the latest available information.

Note: Information is required to be presented for 10 years. However, until a full 10-year trend is completed, the Port Authority will present information for only those years for which information is available.
