Foreword

Under the terms of agreements with the City of New York, dated April 17, 1947, and with the City of Newark, dated October 22, 1947, the Port Authority of New York and New Jersey (the Port Authority) is responsible for the improvement, development, operation and maintenance of LaGuardia Airport, John F. Kennedy International Airport and Newark Liberty International Airport.

The Port Authority under the terms of purchase agreements with the owners of property and buildings comprising Teterboro Airport acquired this airport on April 2, 1949. The airport has been operated and maintained by the Port Authority. On November 1, 2007, the Port Authority entered into a long-term operating and maintenance agreement for Stewart International Airport, which is owned by the State of New York.

Permits for occupancy and privileges at LaGuardia, John F. Kennedy International, Newark Liberty International, Teterboro, and Stewart International airports may be obtained upon application to The Port Authority of New York and New Jersey, Aviation Department, Properties and Commercial Development Division, 150 Greenwich Street, 4 World Trade Center, 18th Floor, New York, New York, 10006.

The managers of LaGuardia, John F. Kennedy International, Newark Liberty International, Teterboro, and Stewart International airports are authorized to act for the undersigned in connection with the enforcement of all rules and regulations applying to these airports.

PREFACE

This document is published as a guide to the Schedule of Charges for Air Terminals for the benefit of airport patrons and tenants, and of Port Authority staff. It is not a codification of the resolutions of the Port Authority Board of Commissioners and its Committees, and must not be construed as such.

Interpretation

Any words or phrases used herein which are especially designed for the Schedule of Charges in the Resolution of the Committee on Operations of The Port Authority of New York and New Jersey adopted July 12, 1951, establishing rules and regulations governing the operation of Port Authority Air Terminals (which appears at page 22 et seq. of the official minutes of that date), as amended, shall be read and construed in accordance with such special definitions.

Credit Arrangements

All charges under the Schedule of Charges published herein shall be payable in cash as they are incurred unless credit arrangements satisfactory to the Treasurer have been made in advance including, but not limited to, the payment of all arrears in accounts with the Port Authority. Any airport patron or tenant in arrears in its accounts with the Port Authority may be denied the use of any Port Authority Facility based thereon.

NEWARK LIBERTY INTERNATIONAL AIRPORT - SCHEDULE OF CHARGES For The Use of the Public Landing Area, and Related Areas and Services

I. Public Landing Area Charges

1. (a) Except as set forth in paragraph 1.(b) below, the charge for each aircraft takeoff shall be \$12.83 (effective January 1, 2021) per thousand pounds of maximum gross weight, prorated per fraction thereof, provided that the minimum charge for each such takeoff shall be as follows:

.....\$25.00*; (effective August 1, 2010)

Notwithstanding the provisions of any Schedule of Charges heretofore adopted for the use of the public areas at Newark International Airport, no charge shall be made for the use of such areas at such Air Terminal by the following aircraft:

* With the exception of scheduled commuter air carriers maintaining a schedule of one or more round trips per day, at least five days a week into a single airport, pursuant and subject to a Port Authority permit, the minimum fee for each such take-off shall be \$20, provided that the minimum fee for each such take-off by an aircraft which either take-offs or lands (or both) between the hours of 8:00 A.M. and 10:00 A.M. and between the hours of 5:00 P.M. and 10:00 P.M. shall be \$50.

- (b) For each aircraft either landing or taking off or both landing and taking-off between the hours of 8:00 A.M. and 10:00 A.M. and between the hours of 5:00 P.M. and 10:00 P.M. every day, there shall be a charge of \$100 in addition to the charge based on maximum gross weight.
 - (c) The additional charge of \$100 set forth in paragraph 1.(b) above shall not apply to helicopters, scheduled commuters or airlines.
2. Maximum gross weight for takeoff shall mean the maximum gross weight which an aircraft may lawfully have, at the time of leaving the ground at any airport in the United States (under the most favorable conditions which may exist at such airport and without regard to special limiting factors arising out of the particular time, place or circumstances of the particular takeoff, such as runway length, air temperature, or the like.) If such maximum gross weight is not fixed by or pursuant to law, then said phrase shall mean the actual gross weight at takeoff.
 - (a) In the event an aircraft departs from the Air Terminal for another destination, which aircraft, without making a stop to another airport, is

forced to land at the Air Terminal because of meteorological conditions, operating causes, or for any similar emergency or precautionary reason, such charge shall not be payable in connection with the subsequent departure of such aircraft or a substituted aircraft; provided, however, that on such subsequent departure the aircraft or substituted aircraft is destined for the same point and transports the same or substantially the same load.

II. Public Ramp and Apron Area Charges

1. For an aircraft remaining on the public ramp and apron area for more than 10 minutes after the Manager of the Air Terminal has directed that such aircraft be removed because of congestion of aircraft upon the said area, the urgency for making space available for other aircraft, snow removal, or other operational requirements, which said notice shall not in any event be given to an aircraft which has been assigned a parking position until the aircraft has been on such area for 20 minutes: (effective 5/1/2000)

For the first 15 minutes or fraction thereof \$500.00
 For each additional 15 minutes or fraction thereof..... \$1,000.00

III. Public Aircraft Parking and Storage Area Charges (effective 10/1/2011)

1. For each eight (8) hours or fraction thereof
 - (a) For each aircraft not exceeding 100,000 pounds maximum gross weight for take-off... \$45.00
 - (b) For each aircraft exceeding 100,001 pounds but not exceeding 200,000 pounds of maximum gross weight for take-off... \$70.00
 - (c) For each additional 25,000 pounds or fraction thereof in excess of 200,000 pounds maximum gross weight for take-off an additional... \$25.00
2. Maximum gross weight for take-off shall have the meaning set forth in the Public Landing Area Charges of the Schedule of Charges.
3. Operators of aircraft who have entered into agreements with The Port Authority of New York and New Jersey for the exclusive use of a portion of the public aircraft parking and storage areas sufficient to accommodate their aircraft, shall not be subject to payment of the charges set forth in this section.

IV. Free Use of Air Terminal

Notwithstanding the provisions of any Schedule of Charges heretofore adopted for the use of the public areas at Newark Liberty International Airport, no charge shall be made for the use of such areas at such Air Terminal by the following aircraft:

1. Aircraft owned, leased or chartered by the agencies of the following governmental entities:
 - a. The United States of America provided, however, that during any calendar month;
 - 1) The total number of movements (counting each landing as a movement and each takeoff as a movement) of such government aircraft does not exceed 300, and
 - 2) The gross accumulative weight of such government aircraft (the total movements multiplied by gross certified weights of such aircraft) does not exceed five million pounds.
 - b. The State of New York and their agencies.
 - c. The State of New Jersey and their agencies.
 - d. States other than New York and New Jersey and their agencies with whom the Port Authority may enter into reciprocal fee- waiver agreements wherever practical at the discretion of the Director of Aviation.
 - e. Local governmental agencies within the Port District.
 - f. Any local governmental agency, when there is a reciprocal agreement between that agency and The Port Authority of New York and New Jersey.
2. Aircraft owned, leased or chartered by The Port Authority of New York and New Jersey.

V. 1. Federal Inspection Space Charges Terminal B (International)

For each passenger disembarking from an aircraft and using space made available for the inspection and examination of aircraft passengers and their property by the Bureau of Customs, the Immigration and Naturalization Service, the Public Health Service, the Bureau of Entomology and Plant Quarantine and other governmental agencies..... \$24.20 (effective 01/01/2021)

V. 2. Terminal B - General Terminal Charge.

For each passenger (Domestic or International) arriving or departing at the Terminal B International Facility \$10.40 (effective 01/01/2021)

The cumulative charges stated in V.1 and V.2 shall be no less than \$50.00 for each aircraft arriving at or departing from the airport via Terminal B International Facility.

VI. Passenger Facility Charge (PFC)

Per F.A.A. Regulation 158.43 of 14 CFR, for each eligible enplaned passenger (Domestic or International) departing from any terminal\$4.50 (effective 04/01/2006)

VII. Special Terminal Charge

For each 8 hour police tour, or at the discretion of the Airport Manager any portion thereof, for providing police security requested by an airline or required by federal regulation when the airline in question has no prior agreement with the Port Authority as to the provision of such service\$1,262.80 (effective 01/01/2020)

The Aviation Director may revise the rate at his / her discretion.

VIII. AirTrain (formerly Monorail) Charge

To recover the costs of constructing and operating the airport Air Train (formerly monorail) system, the charge for each passenger aircraft utilizing the central terminal buildings shall be \$4.17 (effective 01/01/2021) per thousand pounds of maximum gross takeoff weight
